

HX Station	drugs
Abdominal pain	steroids, ns aids, abx, paracetamol
Chest pain	b blocker, thyroxine, ns aids, ocp, nitrates
SOB	nitrates, b blocker, b agonist, nsaid, ocp, thyroxine
Cough	b blocker, acei, ns aids, b agonists methotrexate/ amiodarone/ nitrofurantoin/ rheumatologic drugs
Hemoptysis	anticoagulant, ns aids
Fever	paracetamol, ns aids, abx, chemotherapy
Palpitation	b2 agonists, levothyroxine, digoxin, diuretics
Joint pain/swelling	ns aids, paracetamol
joint pain	nsaid, hydrazine, procainamide, INH, diuretics
Lower limb edema/periorbital edema	ns aids, glucocorticoids, ccbs (nifedipine, amlodipine), new drug ingestion
Syncope, presyncope, dizziness	nitrates, beta blockers, digoxin, amiodarone, aceis
Epigastric pain	NSAIDs, aspirin
Neck mass	irradiation, chemotherapy
Weight loss	diet pills, ns aids, amphetamine, aspirin
Back pain	warfarine, steroids
thyroid	Li, amiodarone
vomiting	Paracetamol, ns aids, abx, opioids, digoxin, cytotoxics, SSRIs, other antidepressants
diarrhea	Abx, laxatives, PPIs, colchicine, ns aids
jaundice	Rifampicin, anti tb drugs, INH, flucloxacillin, paracetamol, methotrexate for RA, or any cytotoxic chemotherapeutic drug

	OCP , Ketokonazole , Amphotericin B ,
dysphagia	Steroids, immunosuppressants
GI bleeding(hematemesis, haematochezia) Vomiting up blood	Nsaids, glucocorticoids, anticoagulants NSAIDs.-Aspirin - Warfarin-steroids
RED URINE	Anticoagulant, nsaids, rifampin, rifabutin, clofazimine, entacapone(theoretical material)
Loin pain(UTI vs pyelonephritis)	Paracetamol, nsaids, abx
Upper GI bleeding	Nsaids, aspirin, ppi, antacids
Abdominal distention	Corticosteroids , IV FLUID may cause fluid overload ... Antidiarrheal drugs may cause constipation Drugs for HTN,DM,IHD,IBS,...
Red Dark Urine	Heparin, Warfarin, Rifampin, Cytotoxic Drugs, NSAIDs, Gentamycin,rifabutin, clofazimine, entacapone(theoretical material)
Follow Up DM احتياط	Drugs for DM IN DETAILS - Other drugs - Allergy to drugs
feeling of hotness	cocaine, amphetamine, phenytoin, carbamazepine, corticosteroids ...etc
seizure	Anticonvulsants, drugs for DM and HTN, digoxin toxicity, paracetamol toxicity Is it aborted alone or by Valium(diazepam)
headache	Nsaid, paracetamol, tramadol
