

September 25th, 2025

Dear 6th Year and 5th Year Medical students for the Year 2025-2026

The Office of Medical Research at the School of Medicine University of Jordan would like to welcome you to a year full of exciting research work and would like to invite all students to join the link to our new Teams Group

Kindly join the following link: [General | Office of Medical Research 2025 2026 | Microsoft Teams](#)

Or Join through this Team Code: 34o328h

It is mandatory to join this team group so all instructions about the curriculum, lectures and instructions pertaining to [Research Project I](#) and [Research Project II](#) can be posted and easily accessed by all students.

We at the Office of Medical Research are excited to welcome you and to start our curriculum which will be launched in October 2025 In shaa Allah

Day	Year 5	Year 6
Wednesday October 8, 2025 3:00 to 4:00 PM via Teams	• Orientation to Graduation Project I • Graduation Project I Management and Timelines	
Wednesday October 8, 2025 4:00 to 5:00 PM via Teams		• Orientation to Graduation Project II • Graduation Project II Management and Timelines
Wednesday October 15, 2025 3:00 to 4:00 PM via Teams	• Introduction to Medical Research Ethics and GCP • History of the Medical Regulatory Framework	

Wednesday October 15, 2025 4:00 to 5:00 PM via Teams		• Introduction to Evidence Based Medicine and What is Clinical Research
Wednesday October 22, 2025 3:00 to 4:00 PM via Teams	• Introduction to IRB Structure and Function • Introduction to Study Protocols and Informed Consent	
Wednesday October 22, 2025 4:00 to 5:00 PM via Teams		• Introduction to Retrospective Cohort Studies
Wednesday October 29, 2025 3:00 to 4:00 PM via Teams	• Introduction to Literature Review I	
Wednesday October 29, 2025 4:00 to 5:00 PM via Teams		• Introduction to Prospective Cohort Studies
Wednesday November 5, 2025 3:00 to 4:00 PM via Teams	• Introduction to Literature Review II and the Ethical use of ChatGPT	
Wednesday November 5, 2025 4:00 to 5:00 PM via Teams		• Introduction to Cross Sectional Studies
Wednesday November 12, 2025 3:00 to 4:00 PM via Teams	• Coming up with a Research Question and Teamwork	
Wednesday November 12, 2025 4:00 to 5:00 PM via Teams		• Introduction to Data Management 1
Wednesday November 19, 2025 3:00 to 4:00 PM via Teams	• Coming up with a Research Question and Suggested Ideas Institutional Databases	

Wednesday November 19, 2025 4:00 to 5:00 PM via Teams		• Introduction to Data Management 2
Wednesday November 26, 2025 3:00 to 4:00 PM via Teams	• How to Write your Research Proposal 1	
Wednesday November 26, 2025 4:00 to 5:00 PM via Teams		• Introduction to Data Management 3
Wednesday December 3, 2025 3:00 to 4:00 PM via Teams	• How to Write your Research Proposal 2	
Wednesday December 3, 2025 4:00 to 5:00 PM via Teams		• Introduction to Data Management 4
Wednesday December 10, 2025 3:00 to 4:00 PM via Teams	• Research Proposal Templates for Cohort Studies	
Wednesday December 10, 2025 4:00 to 5:00 PM via Teams		• How to Write your Research Manuscript 1
Wednesday December 17, 2025 3:00 to 4:00 PM via Teams	• Research Proposal Templates for Cross Sectional Studies and Questionnaires	
Wednesday December 17, 2025 4:00 to 5:00 PM via Teams		• How to Write your Research Manuscript 2
Timelines	• Submission Deadlines for GCP and Research Proposal Discussion • End of January Deadline for GCP • End of April Deadline for Proposal Submission	
VACATION	Mid December 2025 to Mid-January 2026	

Wednesday January 14, 2026 3:00 to 4:00 PM via Teams	Introduction to Systematic Review 1	
Wednesday January 14, 2026 4:00 to 5:00 PM via Teams		• Introduction to Critical Appraisal 1
Wednesday January 21, 2026 3:00 to 4:00 PM via Teams	Introduction to Systematic Review 2	
Wednesday January 28, 2026 4:00 to 5:00 PM via Teams		• Introduction to Critical Appraisal 2
TIMELINE	Feb 1 to Feb 15 2026	Electronic Platform Open for the Submission of the Graduation Research Project 2 The Submission Starts from Feb 1 to Feb 15 2026
DEADLINE	FEB 15 2026	DEADLINE FOR THE FINAL SUBMISSION OF GRAD PROJECT II is FEB 15 2026
TIMELINE	March 1 to March 5 2026	Graduation Projects Discussion Platforms and the Appraisal by Faculty Committees March 1 to March 5 2026
Wednesday Thursday March 12 2026 RAMADAN TIME 10 pm till 12 Midnight		• Introduction to Scientific Communication and Poster Creation 1
		Introduction to Scientific Communication and Poster Creation 2 and

		Final Discussion about deliverables and the Scientific Day Procedure
TIMELINE	RELEASE OF PROJECTS NAMED FOR ORAL AND POSTER PRESENTATIONS	APRIL 1 2026
SCIENTIFIC DAY	SCIENTIFIC DAY 2026	End of April 2026

The sessions will be via Teams every Wednesday in shaa Allah.

For Year 5 the Teams Lecture will be between 3:00 and 4:00 pm

For Year 6 the Teams Lecture will be between 4:00 pm and 5:00 pm.

This research Platform can be open to the following

Year 5 and Year 6 Medical Students

All Residents

Medical Students from Year 2 to Year 4

The Office Hours for the Graduation Research Projects will be in Shaa Allah every Tuesday from 2:00 pm to 4:30 pm at the OMR Workshops Room in Floor 1 at the Deanship of the School of Medicine.

Starting Tuesday October 14th 2025

Office of Medical Research Open Hours Every Tuesday from 2 pm to 430 pm with the following slots available

2:00 to 2:30

2:30 to 3:00

3:00 to 3:30

3:30 to 4:00

4:00 to 4:30

Year 5 Innovation this year: The introduction of the creation of institutional Databases and how to conduct systematic reviews. Details to be discussed during course sessions.

Year 6 Innovation this year: The introduction of lectures on data management, and on evidence-based medicine in addition to detailed approaches to cohort and cross-sectional studies

Suggested Workshops in January-February 2026:

- Use of AI in medical research and machine learning
- Advanced Workshop on Cross Sectional Studies and the use of Redcap software
- Workshop on Grant Writing in Research
